Innovations and Prospects for the Development of Modern Science: Proceedings of the International Scientific Conference (Utrecht, Netherlands, 19 November 2025). Bookmundo, 2025.

The collection includes the proceedings of the International Scientific Conference “Innovations and Prospects for the Development of Modern Science”, which took place on 19 November 2025. This collection is intended for scientists, educators, students, government officials, business representatives, and the general public.

Working language of the conference: English.

The conference proceedings are published in the original language and as submitted by the authors. The collection has been formatted and prepared for publication in a unified style, without altering the content of individual contributions. The authors are fully responsible for the accuracy of the facts, proper names, quotations, statistical data, industry terminology, and other information presented in their materials.
